

Dear Parent/Guardian:

Pioneer requires that each student must either carry the school insurance or be covered by a home policy. Our school district has made arrangements with Student Protective Agency to provide student accident and health insurance for those wishing to purchase coverage this year. Covered losses less than \$250 are paid without regard to other insurance.

Please note that the student applications will be available on our website and in our Administrative Office. Complete the application and check the boxes for coverage desired. Sign where life insurance is shown, if desired. Tear off and keep the rest of the application, as it shows not only the coverage but the exclusions and limitations of the policy.

Please mail the applications directly to Student Protective Agency, 300 Coshocton Avenue, Mount Vernon, OH 43050 along with a money order or check payable to Student Protective Agency. The school will be notified as to who takes out coverage. You can call Student Protective Agency at 1-800-278-2544 for more information.

In case of an accident, the student or parent should immediately go to the Director of Operations who will sign and provide the claim form only if school time coverage is taken out. Twenty-four hour coverage needs no signature. The policy number shall be provided by the school for the claim or you can call 1-800-278-2544. You may give that policy number to the doctor or hospital but the bills should be sent to the parent/guardian who attach them to the claim form. Once completed, mail to the claims office at Guarantee Trust Life Insurance, PO Box 1148, Glenview, IL 60025. If you have any further questions regarding a claim, please call 1-800-622-1993. It is the responsibility of the parent/guardian to file the claim.

Sincerely,

A handwritten signature in black ink that reads "Kris W. Kowalski". The signature is written in a cursive style with a large initial "K".

Kris Kowalski
Director of Operations
